Week 1: Phonics/Decoding

During Week 1, your child will dive into the exciting world of phonics and decoding. Our expert instructors will guide your child through the essential skills they need to read and decode words with ease, setting them up for success in all areas of reading.

Week 2: Reading - Story Elements and Literature

In Week 2, we will focus on story elements and literature, helping your child develop a deep understanding of the components of a great story. From character development to plot twists, your child will learn how to analyze literature like a pro and gain a love for reading that will last a lifetime.

Week 3: Reading and Vocabulary - Informational Texts

Finally, in Week 3, we'll focus on informational texts and vocabulary. Your child will learn how to read and understand non-fiction texts, expanding their knowledge and vocabulary along the way. With engaging activities and expert instruction, your child will be able to tackle any informational text with confidence and ease.
